CO-EXIST

Explanation of Partial Fee Schedule Terms

Amount of Insurance

Total amount of the sales transaction, rounded to the next highest thousand.

Residential Rate

The Residential Rate is the title insurance rate that is applicable to those transactions covering one to four-unit family residences.

Basic Rate

The Basic Rate is the title insurance rate applicable to those transactions not covered by the Residential Rate, or other rates, as set forth in this manual.

Applicable Rate

Depending on the property type our title insurance fees will be calculated by applying either the Residential Rate or the Basic Rate (as defined above). For example, the title insurance fees for a sale or loan transaction covering a one to four-family residence would be determined by applying the Residential Rate; the title insurance fees for a sale or loan transaction covering a 10-unit apartment building or a shopping center would be determined by applying the Basic Rate. Therefore, the rate applied, which will be determined by the property type that is the subject of the transaction, is the Applicable Rate.

Homeowner's Policy Rate

The rate for a CLTA/ALTA® Homeowner's Policy, which is an expanded coverage policy available to individuals (including their trusts) of one to four-family residential properties, is 110% of the Residential Rate.

Concurrent Loan Rate

This rate applies when an ALTA Loan Policy (without Western Regional Exceptions) is issued concurrently with an Owner's Policy (with Western Regional Exceptions) in a sales transaction. The Concurrent Loan Rate is calculated at 40% of the Applicable Rate plus \$110.

Stewart Title Absolute Rate

The Stewart Title Absolute Rate (S.T.A.R.) is the fee charged for an ALTA Lender's Policy of Title Insurance (without Western Regional Exceptions) on improved one to four-family residential properties for loan transactions refinancing existing debt. The S.T.A.R. applies only when the following conditions are met:

1. The order is opened electronically.
2. The preliminary report is delivered electronically.
3. The preliminary report uses generic exceptions for such matters as Covenants, Conditions & Restrictions and Easements of record.
4. The policy issued is the ALTA 2006 Short Form Loan Policy.
5. The policy is delivered electronically.
